Expectations of Players

- **Fairness** – Give everything 100%. Have a team spirit and play fair with team-mates and opponents.
- **Integrity** – Be a good example of self-control. Control your temper and language. Abusing others or yourself is unacceptable in any sport.
- **Service** – Make a commitment - stick to it. If you decide to join a team then it is important to be available for every game and practice for the whole season. Show responsibility by being changed, punctual and notifying your coach in advance of any absences. Be a good sport by welcoming visiting teams, exchanging pre-match courtesies and by thanking them, shaking hands after the game. Be a good winner and a good loser. Treat all players as you would like to be treated. Don't interfere with, or take unfair advantage of another player.
- **Humility** – Always play by the rules. Treat others the way you would have them treat you. Win and lose with grace.
- **Excellence/Encouragement** – Give your best effort - for your school, coach, team-mates and yourself. Have fun. All teams experience winning and losing. Learn to enjoy many different things in sport, not just the score.
- **Responsibility** – Show respect for sporting authorities, including the umpire and officials from both teams. Accept their decisions, cooperate with their instructions. If you really disagree ask one of your team authorities (such as captain, coach) to approach the official and then only during a break in the game.
